

BASHIR ABDULAH

Lagos, Nigeria • +234-8109486471 • bashirtaiwo59@gmail.com •
<https://www.linkedin.com/in/bashir-abdulah-b17b3125a/> .

An enthusiastic and skilled developer with over 2 years of expertise in frontend development. Proficient in building and maintaining websites using HTML, CSS and JAVASCRIPT. Equipped with intermediate knowledge of REACT and willing to learn further to progress professionally. Able to consistently meet deadlines.

EXPERIENCE

Zuri Team, Remote

2021 – 2022

Web Developer (Intern)

- Worked with developers and designers on the team to implement designs and functionalities using HTML, CSS, Bootstrap, JavaScript and Django.
- Trained and supervised members in my cluster by maintaining constant communication and providing required support and information to aid the development experience.
- Collaborated with in-house web designers to create better, sleeker and innovative UI design by providing feedback after every design.

EDUCATION

Aptech Computer Education, LAGOS, NIGERIA

2021 - 2023

ADVANCED DIPLOMA IN SOFTWARE ENGINEERING (ADSE)

- Worked collaboratively with team members on various projects, demonstrating effective communication skills and the ability to meet project deadlines under pressure.
- Graduated with a grade of Distinction.
